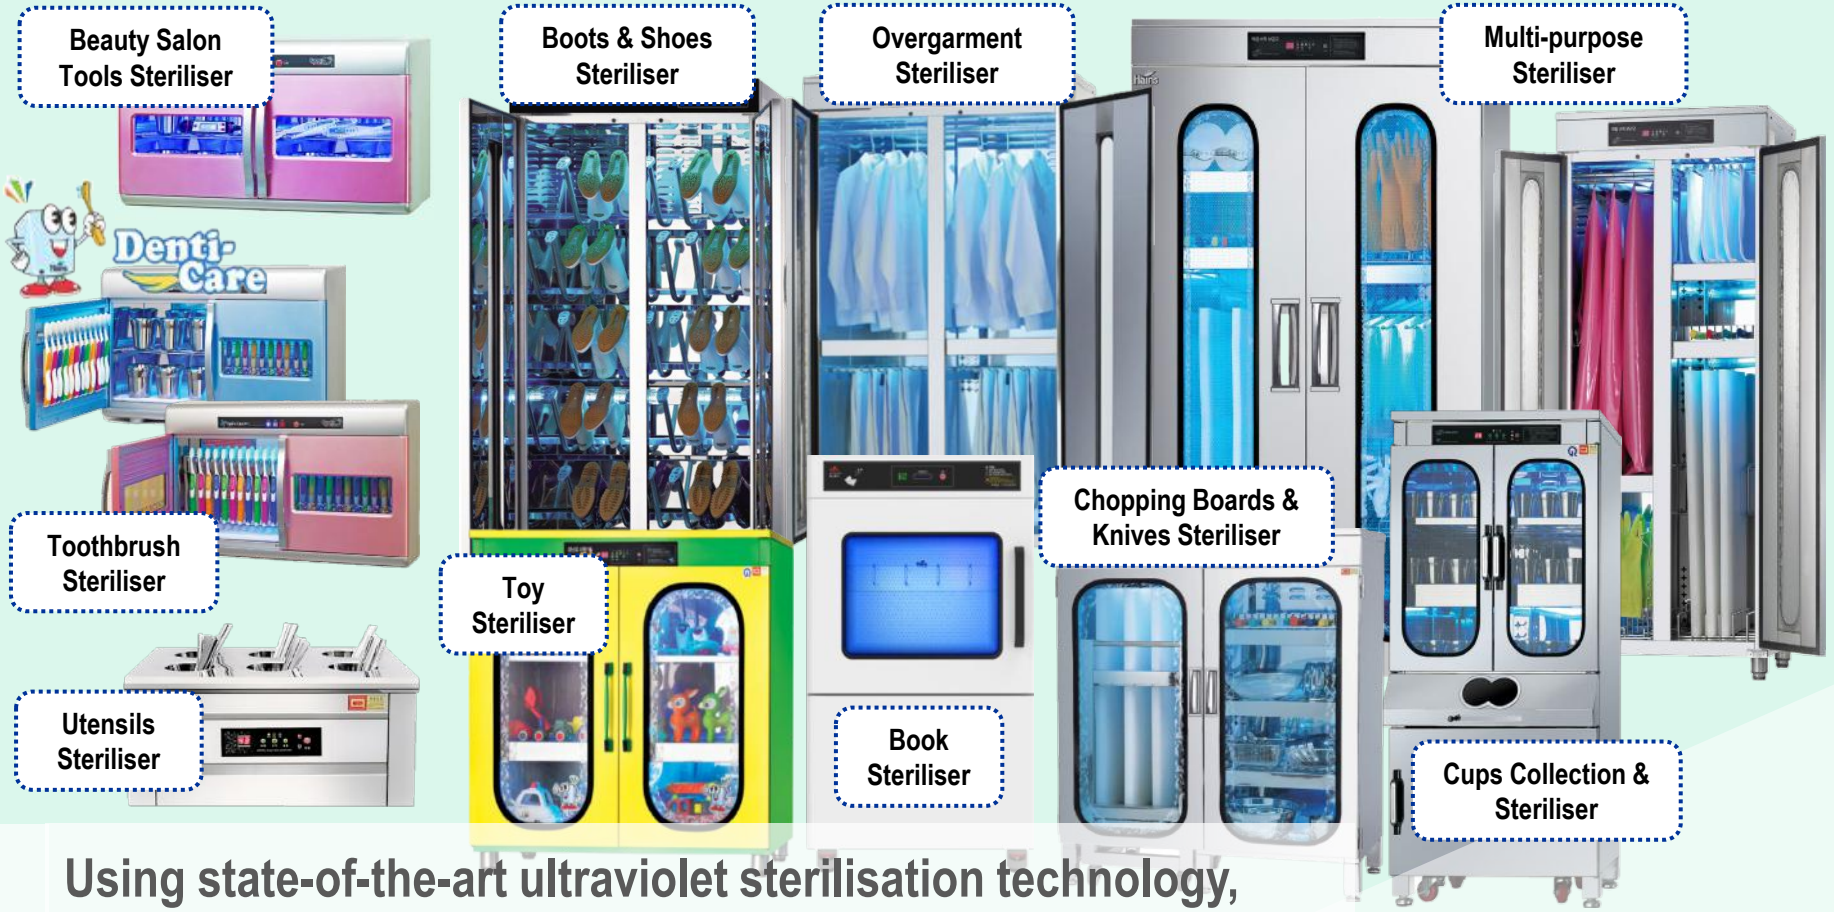
MAROON CONNECTION

IMPROVING HYGIENE AND LIVES EVERYWHERE

Specialist in commercial use ultraviolet (UV-C) sterilisers and ultraviolet disinfection lighting



Using state-of-the-art ultraviolet sterilisation technology, 99.99% of bacteria and germs are eliminated in the process

Product Offering Overview

Schools & Eldercare

Products

- Toy Steriliser
- Book Steriliser
- Toothbrush Steriliser
- Multi-purpose Steriliser
- Utensils Steriliser

Food & Beverage Hospitality

Products

- Chopping Boards & Knives Steriliser
- Multi–purpose Steriliser
- Cups Steriliser
- Utensils Steriliser
- Overgarment Steriliser
- Boots & Shoes Steriliser

Medical Healthcare

Products

- Toy Steriliser
- Multi–purpose Steriliser
- Utensils Steriliser
- Overgarment Steriliser
- Boots & Shoes Steriliser

Recreation and Beauty, Spas & Salons

Products

- Beauty Salon Tools Steriliser
- Toy Steriliser
- Multi-purpose Steriliser

About Us

Offering a wide range of commercial use ultraviolet (UV-C) sterilisers that can easily sanitise toys, books, electronics, toothbrushes, sports and musical instruments, key cards, remote controllers, cups, chopping boards & knives, kitchen tools, overgarments, rubber boots and shoes, beauty salon tools, etc.

We are dedicated in bringing high-quality, value-added products to the region to improve hygiene, safety and convenience in daily lives

Our Products

Toy Sterilisers

Unsanitised toys and playing materials can cause skin diseases such as atopy, as well as other infectious diseases like **hand-foot-and-mouth disease (HFMD)**

Multi-purpose Sterilisers

Different compartment sections in the steriliser for easy segregation

All types of kitchen tools and overgarments can be easily sanitised through ultraviolet sterilisation and hot-air drying function

MAIN FEATURES

- Ultraviolet sterilisation and drying function
- High-grade stainless steel
- Prevention of all types of infectious diseases
- Stylish design with different colours
- Convenient and easy to use
- Automatic safety control device

Our Products

Utensils Sterilisers

All types of cutlery, including metal and bamboo straws can be placed inside and sterilised through **high heat**

- **High heat sterilisation**
- Convenient and easy to use
- Simple and stylish design
- High-grade stainless steel
- **Automatic safety control device**
- Temperature setting

Overgarment Sterilisers

Overgarments, gowns and sanitary apparels can be placed inside the steriliser and easily sanitised

Plasma ioniser function in place for easy deodorisation

Boots & Shoes Sterilisers

Rubber boots and shoes can be easily sanitised through ultraviolet sterilisation and hot-air drying

Plasma ionizer function helps to effectively remove odour from the boots and shoes

MAIN FEATURES

- **Ultraviolet sterilisation and drying function**
- High-grade stainless steel
- **Prevention of all types of infectious diseases**
- Convenient and easy to use
- **Simple and stylish design**
- **Automatic safety control device**

Effectiveness of our Sterilisation Equipment

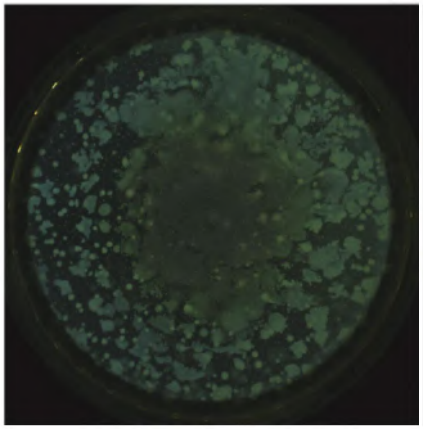
Medical-grade sterilisation that effectively eliminate 99.99% of germs and bacteria after just 1 cycle of sterilisation (only 10 mins) with 1 simple touch of a button

- **Made in Korea – Premium quality guaranteed**
- **Sterilisation effectiveness certified by Singapore TUV SUD PSB**

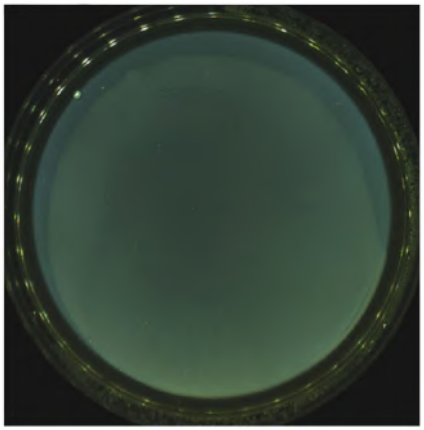
PSB Singapore

Escherichia Coli

Causes food poisoning, gastroenteritis and meningitis



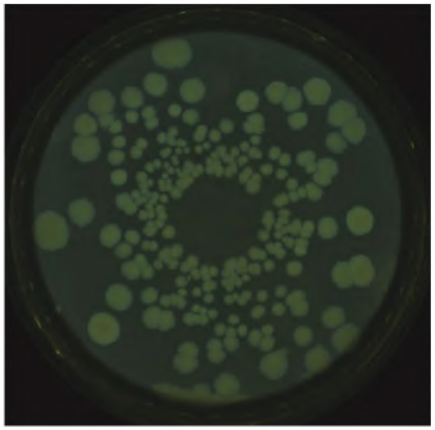
Before Sterilisation



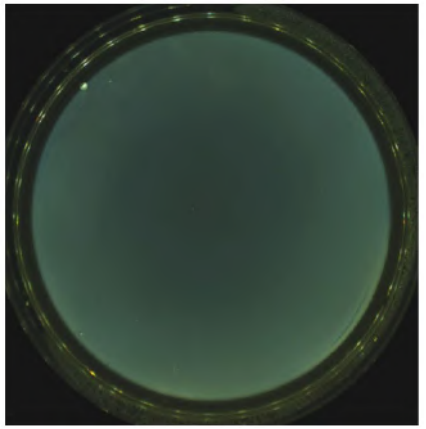
After Sterilisation

Salmonella Typhimurium

Causes egg-associated Salmonellosis (fever, abdominal cramps, diarrhoea)



Before Sterilisation



After Sterilisation

Note: Microbiology testing has been carried out by Singapore TUV SUD PSB – Microbiology Chemical & Materials
Test Report No.: 7191223915-CHM19-01-RC
